# Healing Garden Gift Brick Order Form

**Honor Someone   Share Hope   Inspire Others**

The Turville Bay Radiation Oncology Center's healing garden is a complement to the personal care we strive to give by treating the whole person. The garden is a place for reflection, recovery and renewal.

You can be part of this serene space by buying a brick that will be placed in the garden. Honor a special person, provide an inspirational message or celebrate a significant milestone. This is not a fundraiser. Turville Bay will pass along your payment, which includes the brick, engraving, and installation.

Each brick holds three lines of text of 12 characters including spaces:

<b>Row 1</b>												
<b>Row 2</b>												
<b>Row 3</b>												

*(Please print clearly and leave blanks as needed between words)*

- Cost of the brick is \$50, which includes the brick, engraving and installation.
- 12 characters per line, including punctuation and spaces
- Up to three centered lines per brick

Mail to: Turville Bay Radiation Oncology Center  
Attention Barb Albedyll  
1104 John Nolen Drive, Madison WI 53713
